y wife and I enjoy the excitement of 'accidentally' flashing and have recently tried 'dogging'.

This proved a real turn on for us, so much so that we even put on a show for two guys who openly wanked at the side of our car last week.

Our most successful flashing technique is for Lisa and I to go out in some of our finest clothes.

Lisa always wears loves to

knee and exposes her stocking tops and, maybe, a little pussy too.

I'll ask the guy to take two photos in case the first doesn't come out, though really it's to give the guy a legitimate excuse to gawp at her pussy.

We did this 'flashing trick' in our local pub and, towards the end of the evening, I asked the barman if I could take some photos of Lisa playing pool.

No one else was about, so

The barman was still snapping away and even

wear her favourite 'flashing outfit'.

This comprises of a black see-through top, with a little frilly neckline, no bra and a short skirt, stockings and no knickers.

Lisa usually needs a few glasses of wine to pluck up the courage but once she's ready, I'll ask the barman or a passer-by to take a few pictures of us both.

I'll show him how to focus, then sit next to Lisa and give her a nudge.

Once I'm in place, she moves into 'flashing mode' and drapes a leg over my

he agrees. Secretly Lisa had clocked him already trying to get another look at her beaver.

We were both a little drunk and Lisa didn't object when I pulled her top down.

Her pert breasts were right in front of the barman's eyes and he was quite complimentary about Lisa's charms.

We called him over and asked him to suggest a few poses, so the barman visibly gulped and asked her to bend over the pool table.

'Like this?" she cooed, leaning right over the table with a stick in her hand.

The barman snapped away, quite eagerly, as Lisa twisted her legs this way and that.

Lisa continued to pose and came over to me and unzipped my trousers.

My straining cock popped out right in front of her face, and she looked up at me and licked her lips.

She wrapped her hand around it and slowly wanked me off as she kissed my purple head.

Then she parted her lips and took the entire thing into her mouth

captured the expression on Lisa's face as I unloaded the contents of my balls down her gulping throat.

Naturally, Lisa felt for the barman, especially after all his fantastic photography, so she let him wank off all over her tits.

A great splash of sticky cream coated her boobs and she stirred it about with her fingers then licked them clean.

We've just moved to Portsmouth from Cornwall and are wondering if any of the Pompey pubs are equally obliging.

Jason, Portsmouth.

Blonde stunner Blanche Bradbury's always worth a shufty - especially when she's taking a boning up her shapely jacksie (which, now I come tho think of it, she invariably is whenever I've seen her films!). Well, she's at it again here, and doesn't she look the part? And hats off to her stud for holding out so long when most of us would have creamed our strides just thinking about doing her! Others putting their bums where their moth is (and vice versa) include Kristine Crystalis and Linda Sweet. Hot stuff from start to end!

of all those bloody
cookery programmes on the
telly? Well Mariska X has got the

answer, because what she does in a kitchen is far more interesting than anything Mary Berry could manage – not least thanks to the way she handles chef's cock! And for anyone who fancies another helping, there's loads more to come, with good old Pascal sticking it to Alessa Savage (popping all over her snizz to finish) and a couple more scenes to follow. No thrills gonzo action just how we like it!

I've just wanked myself off so hard thanks to your mag, and had a great orgasm especially looking at the pictures of Wendy. I've been waiting a while for a beautiful black lady, and when she finally appeared she didn't disappoint! Please, Julia, let's have more black and Asian ladies in the mag! Paul, West Mids.

We'll do what we can, Paul!

Dani Maye's got to be the hottest UK babe for years - every time I see she's going to be in a mag I know I'll be onto a winner, whether it's in Escort, Mayfair or Men Only (to name but three). And this time round she still looks every bit as sexy as she did when I first clapped eyes on her a couple of years back. What I wouldn't give to be one driving his fat prick from behind as she looks

into her back at me and grins, while holding her perky pink pussy open, like she's doing on page 80 of your latest edition! Jase, Eastbourne.

Where do I sign up for a ticket on the virgin flight of whichever airline Roxi and Kacie set up (although

gash landing I'm guessing that virgin

is probably not the right word in this case!)? OK, so one way or another the plane would probably crash, but I can't think of a better way to go, can YOU?

Alan, Winchester.

Spanking is all the thing these days, but if your battered old bum paddle isn't quite cutting it anymore, then perhaps it's time you upgraded to this electro version! No, it doesn't play boring music - it gives off little electric shocks, meaning that your (or your partner's) burn will tingle even more than ever! was, could have been ten feet tall with a hairy neck and cheeks for all I know Fran seemed to like him, though. Dave, well, I can remember a couple of details about him - I should do!

At that time of the morning it's obvious to everyone involved what's going to happen, it's just a matter of time is all. So when I said I was going to look for a place to sleep for the night no one batted an eyelid when I took Dave with me. As luck would have it, we found a bedroom with nobody in it and dived right in.

I lay down on the bed enjoying the bliss of a mattress after the whole night on heels and the attentions of my man. He was running his hands slowly up the back of my calves, softly caressing my skin. His fingers traced rivers up my thighs, easing my dress up until he had drawn my hem up and over my bum.

I felt the bed dip as he kneeled between my feet, and then he took a cheek in each hand and his fingers followed the line of my G-string down into the crease of my bum where they brushed lightly over my pussy, searching for my clit. As his hands spread my cheeks apart, I opened my legs, wanting more.

Dave's breath was warm against my flesh as I sensed his mouth so close to my mound. His nose pressed into my pussy and he rubbed his face against me. I wanted him badly then. I raised my hips off the bed slightly, hoping he might take the hint, and I felt his fingers curl around my thong and pull it out from my crack until my pussy was exposed. But he didn't

I just couldn't lie there and take it any more, he was teasing my cunt, gently dragging his tongue across its folds and kissing my slit when I wanted him inside me, and he hadn't even found my clit yet. I rose up from the bed on all fours, my knees spread wide apart, silently urging him on. Thankfully, he took the hint and I moaned out loud as his fingers dug into the flesh of my bum and his tongue darted between my lips to

Ever since my first day on the course, I'd really fancied my instructor, Mark.

He was the most gorgeous man I'd ever me, and we got on really well, but he'd never shown any interest in me. despite my constant flirting.

On the last day of the course, in order to pass, I had to give an assessor from a different

I did as he said and he unhooked my bra and slipped the straps over my arms.

He started massaging me again, starting at my feet and slowly moving up my legs and between my thighs.

I moaned as his fingertips brushed against my soaked panties and chewed on my lip, I was that close to cum-

The moment I moaned, he pulled down my panties, threw them over in the corner and turned me over onto my back.

I bit my lip to stop myself from crying out as I came and gushed all over his tongue.

My instructor sat up and dived at one of my nipples, sucking and licking all around it as he thrust his fingers into my gaping hole.

I came even harder as he pumped my cunt and squirted my juices all over his arm and the table.

It didn't seem fair, me getting all the pleasure, so I started to rub the bulge in the front of his trousers, undoing his fly as I

I pulled his cock towards my face and swallowed the whole lot in one go.

He must've been really turned on because the moment he was in my hot, wet mouth I felt him twitch.

I wanked him slowly while running my tongue up and down his shaft, and felt a great squirt of cum hit the roof of my mouth.

I closed my lips around his tool and swallowed the entire load as he pumped it deep into my throat.

That relaxed me nicely and that afternoon you'll be pleased to hear I passed the exam with flying colours!

state I had no interest in Dave's desires, my only concern was for my own orgasm and I didn't let him up until I had gone as far as I could with just his tongue inside me. When I climbed off his face and lay back on the bed, my legs wide open, my pussy gaping and desperate for some dick, Dave said, "Not like that," his face drenched in my juices. "Get back on your hands and knees so I can see your sweet little arsehole while I fuck that juicy little pussy of yours."

His dirty talking only served to make me hotter, and I got back on my hands and knees to wait for his cock. He had kept all of his clothes on so far so I had no idea what his body was like, nor what kind of a dick he possessed, but when he penetrated me it was clear what kind of dick he had – a huge one! I felt him slide all the way inside me and

keep on going and going, further than any prick had penetrated me before. I began to panic that he was so big he'd never stop but I finally felt his balls slap against my labia and then I braced myself, holding onto the headboard as Dave began to thrust hungrily into me. His hands were all over my arse, clenching my cheeks tightly or rubbing my own juice into my ring, which only served to make me hotter.

If I thought his tongue just wasn't enough for me, his dick made me forget that in a moment. He was so big and I was so blown away by how deep he was inside me that he had me coming before he'd even built up a speed. I didn't care who heard us, it was such an incredible feeling to be so full of cock that when I came I shouted out all kinds of things – things I don't want to repeat here. The kind of things you say in the

heat of the

moment but regret the next morning, know what I mean?

"Now," he said as I collapsed onto the bed, face first, Dave's thick shaft still imbedded in me, "let me see that filthy mouth of yours."

I rolled over, eager to see the size of the dick that had just blown my mind, and was amazed at the length and thickness of him. It was a truly staggering sight. "Let's see how much of me you can get in there," he smiled and stood beside the bed, expectantly. I was a little frightened of it but excited as well – how much of his massive cock could I suck on?

In the end, try as I might, I could only fit half of it in, but that didn't matter because he didn't have any trouble filling my mouth with his come! In the morning he was nowhere to be seen and neither was his monster cock, but I'il be going to any more parties with Fran I can, in the hope of running into him again.

Happy Birth-toy!

t was my boyfriend's birthday last week and I thought I'd tell you about the very special present I arranged for him.

I was stuck for something

was a picture.

On the TV there was a DVD playing – of two sexy girls spitroasting another with huge strap-on cocks.

Then he saw me lying on the sofa wearing only my stockings and heels, slowly

"HE SOON HAD ME CUMMING AS HE STRETCHED MY CUNT TO THE LIMIT."

to buy so I looked on the internet and found an adult website that sold everything I needed.

I placed an order and couldn't wait for the postie to deliver. My pussy was soaking wet at the thought of what I'd planned.

It arrived on the day itself and I ripped it open and waited for my fella to get home.

The look on his face when he came through the door

sliding three fingers in and out of my glistening pussy.

"Don't just stand their gawping," I scolded. "My cunt needs your tongue in it pronto!"

He was on me in a flash, expertly teasing my throbbing clit before sticking his tongue deep inside my sopping wet hole. I grabbed his head with both hands and ground my pussy into his face so hard he could barely breathe.

I came in floods all over his face.

Then I pushed him to the floor and straddled him in a 69. I handed him my new huge pink dildo and told him to fuck me with it while I sucked his cock.

He soon had me cumming as he stretched my cunt to the limit with the dildo's huge shaft. To stop me from screaming the house down, I lowered my mouth on to his cock.

I teased him by holding just

his throbbing helmet in my mouth and working it with my tongue.

I felt some pre-cum ooze out of him and began sucking harder and harder on the tip of his cock. Then I forced my mouth down hard, taking the full length of his 8 inch cock. But as this was his birthday I had a little surprise for him. I'd previously lubed up a butt plug and as I sucked his

cock I slipped it into his tight little arsehole.

He jumped and came instantly, pumping jet after jet of hot cum into my mouth and all over my face, hair and tits

I was so turned on by now I desperately needed his cock inside me. I sucked him back to full hardness and told him to fuck me good and hard from behind for being a dirty little bitch.

He didn't need telling twice. He bent me over the sofa and sank his big hard cock into my aching pussy. He stammed in and out of me as hard as he could.

He knows exactly how I like to be fucked – hard and rough – so he pulled on my pigtails and spanked my arse and it wasn't long before I came all over his cock.

As he was about to cum, he whipped his dick out of my cunt and shot his creamy load all over my firm arse cheeks.

We both collapsed in a heap and Chris admitted it was his best birthday ever. He's promised me a horny threesome for my birthday. Hopefully I'll be getting my first taste of pussy off a sexy girl very soon!

Amy, Lancs.
